WISCONSIN STATE LEGISLATIVE BOARD
BROTHERHOOD OF LOCOMOTIVE ENGINEERS & TRAINMEN
A Division of the Rail Conference—International Brotherhood of Teamsters
ANTHONY DIMOND – CHAIRMAN

BLET Members,

Wi-Tronix is a monitoring device Railroads could use for cell phone usage monitoring on locomotives.

CREWS ARE BEING FIRED!

I CAN USE MY PHONE THIS ONCE.

NOT YOU, BUT A CREW MEMBER DECIDES TO USE THEIRs.

Current Wi-Tronix users

Don’t be without employment!

Members need to demand complete adherence to Federal law.

TURN OFF THOSE CELL PHONES AND COMPUTERS
