

75% Blanket Claim Language

Starting March 21, 2010 and submitting every day thereafter.

This office is submitting this claim on behalf of all (264) active Engineers on the Wisconsin Central LTD. Sault STE. Marie Bridge Company System of the Canadian National covered by the current Collective Bargaining Agreement dated April 1, 2002 and Revised February 1, 2009. The claim date(s) is March 21, 2010 and continues every day consecutively until which time this grievance is resolved. The claimed amount is (\$90937.44) daily, equivalent to one (1) basic day for each active Engineer affected by the Carrier's on-going violation of Article 8, Section 1, Paragraph A. The Carrier's continuous operation of regular freight service in a capacity of less than 75% Regular Assignments as prescribed by the above mentioned Article is in direct violation of the C.B.A.

Please arrange immediate payment for all Engineers listed below:
